**Rehearsal Skills Student Input**

**NAME:** \_\_\_\_\_ **DATE:** \_\_\_\_\_

1. **Attitude:** \_\_\_\_\_ I bring a positive, team centered attitude to class. I approach my work with enthusiasm. I give my personal best effort at all times.
  
2. **Materials:** \_\_\_\_\_ I have all my materials for every rehearsal, including instrument, music, pencil, and accessories.
  
3. **Preparation:** \_\_\_\_\_ I lead the group musically with my preparation. I prepare my parts outside of class so that I can contribute fully to rehearsal. I may struggle with parts from time to time, but I don't give up. I keep practicing until I perfect it, and I do this as soon as possible. I practice at home the things I made mistakes on in class so that I will not make them the next rehearsal.
  
4. **Focus:** \_\_\_\_\_ I consistently think about what I should be doing to contribute to rehearsal. I make every entrance and if missed, it was because of an honest mistake and not a lack of focus. I set-up quickly and start warming up with an intelligent process. I tune in a professional manner. I monitor my own behavior, avoid side conversations, and do not interrupt rehearsal flow. I am focused on the podium at all the proper times.
  
5. **Cleanliness:** \_\_\_\_\_ I put all of my materials away properly every rehearsal. I keep my locker clean. I clean up my area after every rehearsal.
  
6. **Leadership:** \_\_\_\_\_ I lead by example. I practice outside of class. I follow directions. I go the extra mile when necessary. I write in instructions. I help out when needed. I strive not to make the same error twice. I set an example of excellence. I positively influence my teammates.
